

# Interior Alaska Science Fair

## ENTRY FORM

When completed, return this form to the School Science Fair Coordinator.

STUDENT/S: \_\_\_\_\_ M / F

PARENTS: \_\_\_\_\_ PHONE/S: \_\_\_\_\_

EMAIL: \_\_\_\_\_

SCHOOL: \_\_\_\_\_ GRADE: \_\_\_\_\_ TEACHER: \_\_\_\_\_

T-SHIRT SIZES: YOUTH: \_\_\_S\_\_\_M\_\_\_L ADULT: \_\_\_S\_\_\_M\_\_\_L\_\_\_XL

(T-shirts are given to students whose projects involved three or fewer students.  
For group projects with three or fewer, please indicate the number in each size.)

PROJECT TITLE: \_\_\_\_\_

GROUP SIZE: (Place a check or the number of K-8 participants in the appropriate space)

\_\_\_ONE STUDENT \_\_\_SMALL GROUP \_\_\_CLASS \_\_\_FAMILY

(Remember: due to space considerations, group projects are limited to fewer than three students at the judging interviews.)

TOPIC: (Place a check beside the appropriate topic. Mark only one.)

| <input type="checkbox"/> Science Collection | <input type="checkbox"/> Invention     | <input type="checkbox"/> Computer Program |

Do you require an electrical outlet? \_\_\_\_\_ (Bring a short extension cord)

List any components that may be considered hazardous. Include size and number of batteries, list of chemicals or mixtures, etc.:

\_\_\_\_\_

All containers of liquids must be protected against leakage and spillage to the maximum extent possible. Please use plastic wrap to cover open containers when items must project out the top (straws, stems, etc.)

I have read the guidelines for the Interior Alaska Science Fair and will comply with them. I will not show a live or dead vertebrate animal, and my exhibit will not be hazardous to people or the environment. My project fits the size limitations and is self-explanatory. I will ensure that my project is set up at the Pioneer Park Civic Center on Wednesday between 2 and 7 p.m. and is removed on Saturday between 10 and 4 p.m. The Science Fair staff is not responsible for the project after 4 p.m. on the final exhibit day.
